

# Certificate of Acceptance

30<sup>th</sup> August 2023

This is to certify that

**GOROKA GENERAL HOSPITAL**  
Eastern Highlands Provincial Hospital  
Goroka, EHP  
Papua New Guinea

Has accepted the installation and commissioning of the

## Oxygen System Plant

Machine Model: MZ-30 Techray Oxygen System

This oxygen system plant has been successfully installed and commissioned at the premises of Goroka General Hospital. The plant is designed to produce and supply oxygen for various applications, as per the specifications and requirements discussed and agreed upon.

We acknowledge that the plant has been installed, tested, and is operational as per the agreed-upon terms. The client has been provided with necessary training and documentation related to the operation, maintenance, and safety protocols of the oxygen system plant.

The client agrees to operate and maintain the plant according to the provided guidelines and to follow all safety regulations and standards.
